

Ladies and Gentlemen,

We are pleased to invite you to participate in the MATERIAL TECHNOLOGIES IN SILESIA'2022 Conference, which will take place on June 12-15, 2022 at the Crystal Mountain***** Hotel in Wisła, Poland.

The conference is co-organized by:

- Department of Engineering Materials and Biomaterials, Faculty of Mechanical Engineering, Silesian University of Technology, Gliwice,
- Department of Material Technologies, Faculty of Materials Science, Silesian University of Technology, Katowice,
- Research Network ŁUKASIEWICZ – Institute of Non-Ferrous Metals, Gliwice,
- Research Network ŁUKASIEWICZ – Stanislaw Staszic Institute for Ferrous Metallurgy, Gliwice,
- Research Network ŁUKASIEWICZ – Institute of Welding, Gliwice

and the Silesian University of Technology Alumni Association, Circle of Materials Engineering at the Division of the Faculty of Mechanical Engineering.

Honorary patronage:

Professor Arkadiusz Mężyk

Rector of the Silesian University of Technology

The **MATERIAL TECHNOLOGIES IN SILESIA'2022** conference aims to integrate the scientific and industrial environment as well as the young staff of Silesian research centers dealing with the subject of materials technology.

The conference will initiate a discussion on the coordination of research and implementation of material technologies, the most important economically and the dual education system as well as the current expectations of industry concerning the modern technical university graduate.

Your participation in the conference will have a significant impact on raising the rank of the planned scientific event.
